

ESTHETIC EVOLUTION

On I-84 East or West take the Gowen Road EXIT 57. Turn North onto Gowen Road toward Idaho City which turns into Highway 21. Follow Highway 21 over the More's Creek Bridge & turn right toward Spring Shores Marina. Keep going past the Marina, towards Arrowrock Dam. Once the pavement ends, continue on alongside the reservoir. Please drive safely and watch for other drivers and hazards in the road.

Eventually there will be a bend where the road splits left and right, stay on the main road to the right side along the reservoir. This road will continue past the reservoir where it joins up with the Middle Fork of the Boise River.

Continue on and you will arrive at Twin Springs Resort, drive slowly & be careful of the dirt speed bumps through the Resort area. About 1/4 of a mile past the main resort, you will see a gated road to the left, this is the entrance to Esthetic Evolution.

DRIVE CAREFULLY

Map is not drawn to scale. Approximate driving time 1:15.
